TO WHOM IT MAY CONCERN

This is Certify that Dr. Abdul Rehman was under my supervision during his Master combined Ph.D. degree and he was brilliant student throughout the degree. Due to his hard work and research abilities, he was appointed as my personal Teaching Assistant in the School of Computer Science and Engineering, Kyungpook National University, Daegu, South Korea from September 1, 2016 to February 28, 2017. Later, from March 1, 2017 to December 31, 2020 he was appointed as a Research Assistant in Connected Computing and Media Processing Lab, School of Computer Science and Engineering, Kyungpook National University, Daegu, South Korea. Dr. Abdul Rehman was also awarded by CSE-RA-2019-10 Research Achievement Award for his outstanding research achievements by the Graduate School.

I strongly recommend him in your university for the faculty position suitable as per his experience and study background. I wish him success in his future endeavors.

Sincerely,

Prof. Anand Paul, Ph.D.
The School of Computer
Science and Engineering
Kyungpook National University
Daegu - 702-701, SOUTH KOREA
